The portion to be co-financed by the GRANTEE from its own and/or external resources will be of at least [amount in EURO in number and in words] [percentage of the total budget cost], while the amount contributed by the KNOW-HOW BENEFICIARY will be of at least [amount in

EURO in number and in words] [percentage of the total budget cost] as detailed in paragraph 7.1 of the Application Form.

- 1.2 By signing this Grant Agreement, the GRANTEE acknowledges its sole responsibility for the implementation and financial management of the project in accordance with the project Application Form, attached to this Grant Agreement. In case the GRANTEE delegates part of the implementation and/or the financial management of the project to a qualified partner, such delegation cannot and must not restrict nor remove the legal responsibility of the GRANTEE for the implementation of the project and the sound management of the CEI grant.

2. IMPLEMENTATION, MODIFICATION AND TERMINATION OF THE PROJECT

- 2.1 THE GRANTEE commits to fully implementing the project and to concluding all related operations at the latest by XXX, as detailed in paragraph 1.6 of the project Application Form.
- 2.2 If after the approval of the CEI contribution any changes occur with regard to the dates, venue, title, scope of activities, participation, budget, personnel involved in the project, or any other project aspects described in the Application Form, the GRANTEE will promptly inform the GRANTOR and obtain its written approval before implementing any modifications. The implementation of activities or payment of expenses in a form not authorised by the GRANTOR may result in the reduction or cancellation of the grant. If such a situation arises, the GRANTEE will return the amounts received within fourteen (14) days upon receiving a written request from the GRANTOR.
- 2.3 In case the implementation of the project has to be stopped for Force Majeure, as defined below, and the GRANTEE submits relevant explanatory documentation, and none of the situations described in article 3.4 of this Agreement occurred, the GRANTOR will disburse the amount of the grant proportionally to the completed project activities. The disbursement of the grant will take place upon submission by the GRANTEE of satisfactory final implementation documentation as described in articles 4.2 and 4.3 of this Agreement. For the purpose of this Agreement, “Force Majeure” means an event which is beyond the reasonable control of the GRANTEE, is not foreseeable, is unavoidable, and which makes the GRANTEE’s performance of its duties hereunder impossible or impractical as reasonably to be considered impossible in the circumstances. Force Majeure may include, but is not limited to, war, riots, civil disorder, earthquake, fire, explosion, storm, flood or other adverse weather conditions, strikes, lockouts or other industrial actions. Force Majeure shall not include any event which is caused by the negligence or intentional action of the GRANTEE, nor any event which a diligent GRANTEE could have been expected to take into account at the time of the signing of this Agreement.

3. PAYMENTS TO THE GRANTEE

- 3.1 The GRANTOR’s contribution to the implementation of the project will be paid as follows:
 - a) Advance Payment. The GRANTEE is entitled to an Advance Payment of up to fifty (50) per cent of the eligible grant contribution. The Advance Payment will be paid to the GRANTEE within thirty (30) days upon receipt of the Request for Advance

Payment. The GRANTEE can submit to the GRANTOR the request for Advance Payment only after all of the following conditions have been satisfactorily met:

- i. An original copy of this Grant Agreement signed by the parties has been received by the GRANTOR.
 - ii. The GRANTOR has approved by written communication the following documentation in English submitted by the GRANTEE: the detailed working schedule of the project's activities, and the Curricula of professional personnel involved in the project. The documentation must be submitted by the GRANTEE within seven (7) days upon receipt of the communication issued by the GRANTOR about the award of the grant. The GRANTOR must approve the documentation within seven (7) days upon receiving it.
- b) Final Payment. The GRANTEE is entitled to a Final Payment in the amount that constitutes the difference between the amount of the eligible expenses and the amount already disbursed to the GRANTEE as Advance Payment. The GRANTEE shall bear in mind that the sum of Advance and Final payments must not exceed the maximum grant contribution authorised by the GRANTOR as described in article 1 of this Agreement. The Final Payment will be paid to the GRANTEE within thirty (30) days upon approval of the GRANTOR of the full project implementation documentation and the Final Payment Request. The GRANTOR will communicate its decision in written format within sixty (60) days of receiving the documentation or of observing the conditions described in article 3.4. The Final Payment will be disbursed to the GRANTEE after all of the following conditions have been satisfactorily met:
- i. The GRANTEE has prepared and submitted a narrative Final Implementation Report along with supporting documents as described in article 4.2 of this Agreement. The Report must be submitted to the GRANTOR within sixty (60) days upon conclusion of project activities.
 - ii. The GRANTEE has prepared and submitted a Final Financial Report along with supporting documents as described in article 4.3 of this Agreement. The Report must be submitted to the GRANTOR within sixty (60) days upon conclusion of project activities.
- 3.2 Should the actual expenditures for the project be lower than the envisaged total budget, the CEI grant contribution will be proportionally reduced to maintain the originally approved percentage of the grant in the total project budget (percentage of total budget of €).
- 3.3 The GRANTEE recognises the fact that the GRANTOR requires its grant to be spent exclusively on the budget items authorised by the CEI Committee of National Coordinators (CNC) in their grant approval decision and not exceeding the amounts authorised by the CNC for each eligible budget item. Any variation in the purpose of the grant or any alterations to the amounts of the grant allotted to the budget items are subject to prior written consent by the GRANTOR. In case the GRANTEE fails to obtain such consent, adequate deductions will be made by the GRANTOR from the Final Payment in accordance with the budget approved by the GRANTOR.

3.4 At any project implementation stage the GRANTOR will be allowed to request the restitution of the amounts already disbursed to the GRANTEE in one or more of the following cases:

- a) The Progress Report (as described in article 4.1 of this Agreement) or monitoring of the project implementation by the GRANTOR have revealed serious obstacles in the implementation of the project that cannot be mitigated and are liable to have a major negative impact on the results of the project. Such obstacles may include, but are not limited to, the refusal of the KNOW-HOW BENEFICIARY to participate in project activities, proof that initial assumptions of the project were mistaken, and insufficient funds.
- b) The activities carried out by the GRANTEE show reasonable indications that they would not meet the objectives of the project due to the negligence of the GRANTEE.
- c) The expenses of the project have not been adequately documented, as described in article 4.3 of this Agreement.
- d) The scope of activities and/or project budget have been modified without prior written authorisation of the GRANTOR, as described in articles 2.3 and 3.3 of this Agreement.
- e) The GRANTEE has failed to provide proper visibility to the GRANTOR by not displaying the GRANTOR's logo and not referring to the GRANTOR's role in the project throughout its implementation as described in point 5.2 of the Application Form and article 5 of this Agreement.

3.5 The amounts withheld by the GRANTOR as a result of the failure of the GRANTEE to meet any of the conditions described in article 3.4 of this Agreement will remain at the sole discretion of the GRANTOR based on its fair judgement of the points outlined in the above article 3.1b. The GRANTOR will communicate its decision in written format within sixty (60) days of receiving documentation or observing the conditions described in article 3.4. In this communication the GRANTOR will advise the GRANTEE on the amounts of the contribution to be withheld and reasons for such a decision. Upon receipt of such communication, the GRANTEE will have thirty (30) days to make any corrections or submit additional project documentation to the GRANTOR. Otherwise, all rights to claims over the deducted amounts will be lost. The GRANTOR will review the additional documentation and will communicate its final decision to the GRANTEE within fourteen (14) days of receipt of supplemental documentation.

3.6 Both the Final Implementation Report and the Final Financial Report along with the accompanying documents must be submitted to the GRANTOR within sixty (60) days upon completion of the project activities. Failure to do so may result in the GRANTOR's cancellation of the Final Payment and the request for the restitution of the Advance Payment in its full amount. If such a situation arises, the GRANTEE will return the amount of the Advance Payment within fourteen (14) days upon receiving written request from the GRANTOR.
